Top Tips for a Tech-Free Christmas

A free online safety guide on going tech-free at Christmas.

It can be difficult to stay away from technology and devices, and sometimes this means that people – of any age – can find it hard to be present in the moment. As a time when families are able to spend some quality time together and enjoy each other's company, Christmas is the perfect opportunity to step away from our phones, laptops and consoles and concentrate on the things that really matter. Follow our top ten tips for a tech-free festive period and make the most of this holiday season. Merry Christmas!

In the guide, you'll find tips such as making your own Christmas decorations, baking festive treats and going for a winter walk.
