

### Welcome To Year 3

Welcome everyone to Year 3. We look forward to getting to know you all. In Year 3, we have Mrs McCormack (3M) and Miss Armstrong (3A) as class teachers. Our teaching assistants are Mrs Mitchell and Mrs Pearson who will work across the year group. Some pupils may also work with Mrs Natton who is our learning support assistant.

This term, we are going to weave our Golden Threads of **Character, Ambition** and **Diversity** throughout our curriculum, so your child can reach their full potential academically, as well as continuing to develop socially and emotionally.

If you have any queries, please do not hesitate to speak to us on the yard.

### How can you help at home?

In Maths, we are working on explaining our thinking, and revising the key concepts covered. So talking through problems given and getting your child to tell you how they solved a calculation would be an excellent way to support their learning.

We would appreciate if you could explore the spelling list for Year 3 with your child at home, by not only discussing the spelling rules, but also the meaning of the words; this will enable the children to learn to use them in context.

The children are also asked to continue to practise their times tables and read at least 3 times outside school. Please check their reading records and record a comment when you hear them read and enjoy their books with them! We aim to instil a lifelong love of reading in all children!
