

Welcome To Year 6

A warm welcome from the Year 6 team. We are fortunate to split three ways for Literacy and Mathematics every morning. Here's a Who's Who of the staff: Mrs Brown (6B class teacher); Mrs Davidson (6D class teacher); Mrs Taylor (teaching literacy) ; Mrs Thompson (teaching mathematics); Mrs Berridge (teaching assistant); and Mrs Pearson (support staff). This term, we are going to weave our 'Golden Threads' of **Character, Ambition** and **Diversity** throughout our curriculum, so every child can reach their full potential academically, as well as continuing to develop socially and emotionally. In December, we are also looking forward to our residential visit to Lockerbie Manor, where we can develop our resilience and really shine.

Year 6 Key Information

The school day begins with a soft start from 8.40am, with registration at 8.50am. Year 6 finish at 3.30pm.

P.E. PE will be on a Monday and Wednesday. Monday will be indoor and Wednesday outdoor. Children come into school wearing the correct PE kit of a white t-shirt and black shorts on these days.

Home Learning

Reading

Pupils will bring a school reading book home every day. Please can this be returned daily as the book is used daily in school as part of their guided reading session.

Maths and English

This homework will be set in their CGP workbook on a Wednesday to be completed by the following Monday.

TTRS

Each pupil has their own TTRS log in. They will get most benefit from at least 3, 10 minute sessions a week

How can you help at home?

In Maths, we are working on explaining our thinking, and revising the key concepts covered. So talking through problems given and getting your child to tell you how they solved a calculation would be an excellent way to support their learning.

We would appreciate if you could explore the spelling list for year 6 with your child at home, by not only discussing the spelling rules, but also the meaning of the words; this will enable the children to learn to use them in context. These spellings can be found in their home learning books.

The children are also asked to continue to practise their times tables and read at least 3 times outside school. Please check their reading records weekly and, if you have time, hear them read and enjoy their books with them! We aim to instil a lifelong love of reading in all children!
